

Kerry Cudmore...Coaching

Bringing VOICE™ to Your Human Resources Solutions

Hello HR Professional,

My name is Kerry Cudmore and I'd like to take a moment to introduce myself and what I do. I am a Professional, Certified Life & Business Coach and I create customized solutions to your Human Resources needs through one-on-one coaching, group coaching, classes, workshops and programs. I approach solutions from a "magic wand" perspective...

If you had a magic wand, what HR problem would *you* solve?

Once you've answered, I then co-design with you an appropriate strategy to create a customized, comprehensive solution.

What solutions do I specialize in?

- Increasing job satisfaction
- Enhancing "team" dynamics
- Building leadership skills
- Creating seamless, fluid communication skills

And the bottom line...

• Reducing employee attrition

I'll be following up with you to see if we can create a unique solution for your "magic wand" scenario. In the meantime, please feel free to be in touch...I look forward to hearing *your* voice!
